

## CANYON COTTON MINES BONDED.

The Grand Canyon Claims Go for \$85,000.

Means, Garrett, Brownlee and Lombard, Eastern Capitalists Lease the Properties for Eighteen Months.

A mining deal of the greatest importance to Coconino county was completed last week.

For a number of years the rich copper deposits on the rim of the Grand Canyon were being developed, in a small way, by several of our citizens, among whom were Harry Jacoby, David and E. J. Babbitt, Tom Rickel, C. H. McClure, John Marshall, John Halford and Louis Bouchere, P. D. Berry, R. H. and Niles Cameron and Ed Gale, and F. R. Nellis. Only surface development work was done and a few carloads of ore shipped.

John W. Garrett of the Baltimore & Ohio railroad, Arthur A. Brownlee of New York and Thomas B. Lombard of the Lombard Investment company of Chicago, through the efforts of Hon. W. O. O'Neill of Prescott, became interested in these prospects and frequent trips were made from here, where these gentlemen established their temporary headquarters, to the Canyon. The result was the bonding of twenty claims for eighteen months for a consideration aggregating \$85,000. The papers were drawn up some weeks ago, but the deal was not closed until last week.

This marks a new era in the mining history of Coconino county and is in fact the first step taken to turn what at present looks like an inexhaustible deposit of rich copper ore into the markets. Employment will be opened up to a large number of idle men and the merchants and others will be benefited.

But the beneficial results will not stop at this. If after thorough development the mines are found to be what is expected, the railroad from Flagstaff to the Grand Canyon, and which will traverse the rich coal fields forty-five miles north of here, will be built by these gentlemen. Nine men and supplies left Williams recently for the claims known as the Nellis properties and as soon as the snow clears away sufficiently to allow a trip from Flagstaff to the Canyon, which is expected to be sometime this week, a big expedition, fitted out at our mercantile establishments, will leave for the properties to begin development work.

\$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

Henry Ashurst is probably the youngest legislator who has ever been appointed chairman of the Ways and Means committee in any State of the Union. He is but twenty-two years of age and is the leader of the Arizona Democracy. He is a brilliant young man and is bound to succeed.—Kingman Miner.

Mr. Ward L. Smith, of Fredericks-town, Mo., was troubled with chronic diarrhoea for over thirty years. He had become fully satisfied that it was only a question of a short time until he would have to give up. He had been treated by some of the best physicians in Europe and America, but got no permanent relief. One day he picked up a newspaper and chanced to read an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He got a bottle of it, the first dose helped him and its continued use cured him. For sale by D. J. Brannen's Drug Store.

**Important Notice to Homesteaders.** UNITED STATES LAND OFFICE, PRESCOTT, ARIZ., JAN. 4, 1897. Under a late ruling of the Interior Department, residence upon a tract of land prior to date of entry in the Land Office will count as part of the 14 month's residence required in commuted homesteads as well as in regular homesteads. For instance, a homesteader may commute his entry to a cash entry by showing 14 month's residence upon the tract of land, regardless of whether the residence was prior to date of entry in the Land Office or subsequent thereto.

A person who makes a homestead entry has six months after date of entry in the Land Office within which to establish his residence upon the land. P. W. O'SULLIVAN, Register.

### A GOOD LETTER

From the Clerk of the Circuit Court.

FERNANDINA, Fla., Feb. 28, 1896. Mr. J. GEORGE SCHREER, Druggist City. Dear George:—Please send me a bottle of Chamberlain's Cough Remedy. I would not feel easy if I knew there was none of this valuable Remedy in the house. I have given it a fair test and consider it one of the very best remedies for croup that I have ever found. One dose has always been sufficient, although I use it freely. Any cold my children contract yields very readily to this medicine. I can conscientiously recommend it for croup and colds in children. Yours respectfully, GEO. F. WOLFF. Sold by D. J. Brannen's Drug Store.
